Accessibility

Tourism for everybody !

Adapting our services to your needs :

The Tourist Office is in constant improvement to assure you a customized service. We are working on the accessibility of our offices in order to obtain the label « Tourism & Handicap » and mostly in order to welcome you in the best ways :

 **The Tourist Office is located downtown, below the ramparts.**

 **1 parking space for people with reduced mobility, only 200 meters from the Tourist Office**

 **Accessible toilets, only 17 meters from the entrance of the Tourist Office**

 **Physical handicap :**

- **A doorbell to ask us to open the door**
- **Free lending of a wheelchair**
- **Adapted reception and information counter**
- **Leaflets available at a reasonable height**

 **Visual handicap :**

- **Informations written in large characters on our displays**
- **Document written in large characters available at the reception in free-service**
- **Informational pictograms**
- **Audio files which make you discover our territory available on our website**
- **Document in Braille available at the reception**

 **Hearing handicap :**

- Sound amplifying magnetic loop

- Writing board available for discussion with the travel consultant

Mental handicap :

- Informative pictograms for self-service documentation

The entire staff is aware of the way to welcome people with disabilities

We are also working on a guide of the service providers whose facility is accessible to people with disabilities, which will be available self-service at the reception of our Tourist Office

Guide and assistance dogs are welcome and we can even offer them a "doggy bar" if they are thirsty !

The store is accessible to everybody

You can find here a list of useful links :
