"Covid-19: specific information on the current health situation in France"

"Currently, all events (concerts, exhibitions, shows, entertainment, workshops ...),"

"those of our partners, those of our colleagues and ours which are mentioned in the agenda below"

"are suspended until further notice."

"We inform you that the events presented below are displayed automatically and do not currently validate their holding."

"Thank you for your understanding"

In both summer and winter, there is always something to do in Saint-Lô Agglo!

If you want the full schedule, updated with a maximum of practical information to organise your outings, then you're in the right place!!!
